Songs & Lyrics

“The Prepositions Song” by Scratch Garden

Above, below, in front of, behind.
Above, below, in front of, behind.
Keep on listening to the rhyme.
Above, below, in front of, behind.
Now the bat is ABOVE the cat.
Just like the cat is BELOW the bat.
And the rat is now is IN FRONT OF the cat.
Just like the cat is BEHIND the rat.
Inside, outside, beside, between.
Inside, outside, beside, between.
Keep on listening you'll know what I mean.
Inside, outside, beside, between.
Now the rocks are INSIDE the box.
Now the rocks are OUTSIDE the box,
And the fox is BESIDE the blocks.
Now the fox is BETWEEN the blocks.

Songs & Lyrics

“Above It” Prepositions Song for Children by Patty Shukla

I just cannot make up my mind
When I play outside.

I just want to climb everything,
Climb everything in sight.

I climb....
Above it,
Below it,
Around it,
Beside it

I go!

I just cannot make up my mind
When I play inside.

I just want to climb everything,
Climb everything in sight.

Climb up it,
Then down it,
Inside it,
Outside it

I go!

And when I get called to dinner.
I'll have to wait

Before I can play some more.
I have to eat what's on my plate.

But after I'm done,
I can climb and run, run, run....

Beyond it,
Across it,
Upon it,
Beneath it,
Behind it,
Against it,
Toward it,
Right Past it,
Under it,
Over it,
Around it,
Beside it,
I go!

“Prepositions Sing Along Song” by Teacher Tube Studios

On, In, Through

When a bird flies through the air,
The word “through” is the preposition.

The word “through” is the preposition, oh yeah.

When a worm digs in the ground,
The word “in” is the preposition,
The word “in” is the preposition, oh yeah.

When a dog plays on the lawn,
The word “on” is the preposition,
The word “on” is the preposition, oh yeah.

Because a preposition is connected to the noun,
And right before the noun is usually where it’s
found.

On do do do do do do
In do do do do do do
Through do do do do do do

They all are prepositions.

When a snake slides through the grass
The word “through” is the preposition.
The word “through” is the preposition, oh yeah.

When a frog jumps in a lake

The word “in” is the preposition,
The word “in” is the preposition, oh yeah.

And when the sun shines on the world
The word “on” is the preposition,
The word “on” is the preposition, oh yeah.

Because a preposition is connected to the
noun,
And right before the noun is usually where it’s
found.

Yeah a preposition is connected to the noun,
And right before the noun is usually where it’s
found.

On do do do do do do
In do do do do do do
Through do do do do do do

They all are prepositions.

Do do do do do
Do do do do do
Do do do do do
Do do do do do
