What is this? Boys and girls,
What is this? What is this?

This is a pencil. That’s what it is.
We draw with it, draw with it,
That’s what we do. We draw with our pencil.

What is this? Boys and girls,
What is this? What is this?

This is a crayon. That’s what it is.
We color with it, color with it.
That’s what we do, we color with our crayon.

At School! At School!

What is this? Boys and girls,
What is this? What is this?

This is a gluestick. That’s what it is.
We glue with it, glue with it.
That’s what we do. We glue with our gluestick.

“This is the Way We Go to School” by The Kiboomers

This is the way we go to school, go to school, go to school.
This is the way we go to school so early in the morning!

This is the way we dress ourselves, dress ourselves, dress ourselves
This is the way we dress ourselves so early in the morning!

This is the way we wash our hands, wash our hands, wash our hands.
This is way we wash our hands so early in the morning!

This is the way we brush our teeth, brush our teeth, brush our teeth.
This is the way we brush our teeth so early in the morning!

This is the way we carry our books, carry our books, carry our books.
This is the way we carry our books so early in the morning!

This is the way we go to school, go school, go to school.
This is the way we go to school so early in the morning!

Songs & Lyrics

“Stand Up, Sit Down” by Patty Shukla

There once was a troll
Who guarded a bridge
Wouldn't let you pass
Until you did what he said.
And his special request
Went something like this:
Stand up, turn around, sit down.
Stand up, sit down.
Stand up, turn around.
And now,
Sit down.

Stand up, turn around, sit down.
But then he said you had to do it faster!

“Again,” said the troll
Who guarded a bridge
Wouldn't let you pass
Until you did what he said.
And his special request
Went something like this:
Stand up, turn around, sit down.
Stand up, sit down.
Stand up, turn around.
And now,
Sit down.

Stand up, turn around, sit down.
But you had to do it faster! Can you do it faster?

“Again,” said the troll
Who guarded a bridge
Wouldn't let you pass
Until you did what he said.
And his special request
Went something like this:
Stand up, turn around, sit down.
Stand up, sit down.
Stand up, turn around.
And now,
Sit down.

Stand up, turn around, sit down.
