“A Tisket A Tasket” by Lingokids

A tisket a tasket.

I saw a piece of plastic.

I picked it up. I tossed it in.

A big and yellow recycling bin.

A wittle a wattle.

I saw an old glass bottle.

I picked it up. I tossed it in.

A big and green recycling bin.

A dipper a daper.

I saw a piece of paper.

I picked it up. I tossed it in.

A big and blue recycling bin.

A tricker a tracker.

I saw an old stale cracker.

I picked it up. I tossed it in.

A big and brown compost bin.

Thank you!
